

## BRAKE ROTOR GAUGE KIT

### MODEL

All

### SITUATION

Distribution of the following tool will be through the Automatic Tool Shipment Program. Additional tools may be purchased through your Regional Distribution Center (RDC). All prices in this bulletin are introductory prices and are only valid during the Automatic Tool Shipment.

- Brake Rotor Gauge Kit
- Order P/N 83 30 2 457 555

- The Brake Rotor Gauge Kit is used in cases of return brake pedal pulsation.
- The Kit accurately measures brake disc thickness variation and lateral runout.
- For further information on diagnosis of vibration when braking, refer to Service Information B34 01 14 and the attached directions.

## WARRANTY INFORMATION

- The Brake Rotor Gauge Kit is not covered by the BMW Special Tool Warranty.
- The limited warranty is administered by AGA Tools & Products.
- The warranty period is 12 months from the date of purchase. In the event of a warranty or service replacement part-related issue, please refer to the AGA Contact information below.
