MISSION

The mission of the Move For Jenn Foundation is to offer grants to sarcoma researchers and those who have suffered the loss of a limb to sarcoma or other affiliated diseases. The Foundation's goal is to raise awareness of the disease through fundraising events, while also helping amputees afford or obtain an active-wear prosthetic, allowing them to regain strength and mobility faster, getting them back to the physical activities they enjoyed prior to amputation.

STATISTICS

15-20% of all childhood cancers are sarcomas
13,000 new sarcoma cases are diagnosed each year
5,000 people die each year from sarcoma
