

Fett Shredder

Fett Shredder Complex for a healthier and more active sense of life

Do you want to lose weight without harm to health and at the same time feel active and cheerful? In this case, let us support you with our vitamin-mineral complex Fett Shredder. Developed by leading experts from Germany and Switzerland, the triple formula accelerates the burning of fat and provides you with all the necessary vitamins and minerals.

1. Principle of Action

Fett Shredder is a complex of vitamins and minerals, including guarana extract, L-carnitine, chrome, nicotinic acid, vitamin C, B12, B1, B2, B4 and Melissa and Valeriana extract. A special combination of active ingredients speeds up energy metabolism and helps to naturally control your weight for a long period of time. At the same time, the necessary amount of vitamins and minerals is replenished, thus, it is possible to can easily and vigorously resist all the challenges of everyday life.

The peculiarity of our Fett Shredder complex is that it promotes fat metabolism due to the interaction of three different complexes of active ingredients: Fett Shredder Morning, Fett Shredder Day and Fett Shredder Night. Each of them has an individual action that supports the effect of the other two complexes.

Fett Shredder Morning

- provides cheerfulness and activity during the day

Fett Shredder Day

- controls appetite
- promotes digestion

Fett Shredder Night

- helps to fall asleep
- better supplies cells with blood
- helps in the oxidation and removal of fat accumulated in cells

2. Advantages

Fett Shredder helps in several directions at once. It's not just about losing weight. You should feel comfortable at the same time. Advantages:

- **stable and systematic weight management**
- **best energy supply throughout the day**
- **simple dosage**

In addition, Fett Shredder is a food supplement, not a medicine. Therefore, you do not even need a prescription.

3. Ease of administration

The administration of Fett Shredder is very simple. In the morning, at noon and in the evening, take 2 capsules in the following order:

- **in the morning before breakfast** **2 capsules of Fett Shredder Morning**
- **at noon before dinner** **2 capsules of Fett Shredder Day**
- **in the evening 30 min. before sleep** **2 capsules of Fett Shredder Night**

It is best to take the capsules with a large amount of water (250 ml). This will improve their effect. In addition, we recommend a healthy lifestyle combined with exercise and a light, low-calorie diet with a low fat content.

Pay attention to the fact that Fett Shredder can be taken only by persons who have reached the age of 18 years.

4. Are there any adverse effects?

In some cases, individual intolerance may occur. Other adverse effects are unknown. This product should not be taken during pregnancy and lactation.

5. How to store Fett Shredder?

Capsules should be stored in a dry place, protected from direct sunlight and out of the reach of children.
