

# HOW TO INSTALL GONDOLA SHELVING

---

- 1.) Hold the posts straight to start to attach the back panels.
- 2.) You can start to attach back panels.
  - a-) Attach 5 of the large back panels,
  - b-) Attach the medium back panel.
  - c-) Attach the small back panel.
- 3.) Attach the front cover.
- 4.) Attach the base shelf.
- 5.) You would need two brackets for each shelf.  
Attach the brackets for each shelf.
- 6.) After you attach the brackets, attach the shelves on the top of them.  
Apply this step for in total 4 shelf.
