

## Product Installation Sheet

**Product Name - Vegetable & Fruit End Rack HBR-3001**

**SKU: HBR-3001**

- *These are the following steps to fix the Vegetable & Fruit rack*

### **STEP 1**

Keep all together the base of the vegetable rack according to the design and fix them with screw which is being provided with the item.

## **STEP 2**

Take the bottom board and put the black round rod between 2 holes which is both side on the end of the board.

## **STEP 3**

Fix this board at the bottom on both faces of the vegetable rack with the provided installation kit.

#### **STEP 4**

The next step is to fix the back frame to provide proper support on the top. Take the rectangle black frame from the box and fix it with the 4 screw.(2 screws each side.)

### **STEP 5**

This is the easiest & final step to organizing your vegetable and fruit rack. Take the top shelf and just fix them on top of the base. **WHILE YOU FIXING THEM, MAKE SURE THAT ALL THE FOUR COUNERNERS GOES INTO THE RIGHT PLACE AND SHOULD BE BALANCED FROM EACH SIDE.**

**AND HERE IT'S YOUR VEGETABLE & FRUIT RACK**
