## ABOUT US

Fumage Gourmet is a majority Woman owned and founded company based in Houston Texas with the idea of creating a premium line of Salts, Flavored Salts, Spices and Spice Blends tailored toward the professional and home chefs in us all. We proudly carry the Kosher, Non-GMO Project and Go Texan Certifications. By focusing on superior service, production, presentation and innovation, Fumage positioned itself as a leading brand in the Panamanian market, allowing us to grow exponentially and ultimately thrive in a more global market. Nowadays Fumage Gourmet has a presence in multiplecountries and continue to expand our global footprint.

No matter where we are, we select premium ingredients from exotic destinations, driven by high quality and authentic taste. In this way, we guarantee that even the most demanding chefs and cooking enthusiasts are but a spice away from the aromas and experiences of their next dish.

Already with more than 40 unique items across a diverse range of categories, we aspire to continue to innovate, inspire creativity and passion in every cook who trust us with their meals. We hope to contribute to the transformation of fresh ingredients into elevated cuisine.
We believe that we are positioned to continue to grow and thrive over the many years to come.

## MISION

To continue delight the palate through tastes and aromas that turn everyday meals into extraordinary events.

## VISION

Continue to conquer the markets of North America and Latin America with innovative products of high quality and unique presentations.
