

DIY Confetti Pumpkins

30 min

Ingredients

- Lumina White Pumpkin
- Confetti (colorful sequins, glitter or tissue paper all work well)
- Tacky Glue
- Paintbrush
- Newspaper to protect your work surface

Directions

1. Wash your Lumina pumpkin with soap and water, dry thoroughly
2. Set pumpkin down on newspaper for easy clean-up
3. Brush pumpkin with a thin coat of glue
4. Place confetti on pumpkin in desired pattern, or just throw it at random and see what sticks

Care: Keep away from direct sun and moisture, best when displayed indoors.
