

One for the ladies

Pavan

The city's stiletto set wouldn't miss a jewellery do for the world. And what's why this fashion hotspot was packed with ladies who wanted to do a spot of catching up over some fashion *gupshup*. Pavan Anand played the gracious host, as everyone strolled around the venue and checked out the goodies on display. Spotted at the do was Manjul Gupta who came in with her daughter-in-law Miki, and Ritu who was seen trying a few earrings.
