Make a Party Hat

1. Color your party hat!
2. Carefully cut it out, around the solid line
3. Create a tab by folding the hat on the dotted line
4. Curl the hat and glue the tab under the other edge
5. Punch out the two circles using a hole puncher. If you don't have one, ask a grown-up to help you with scissors!
6. String a piece of ribbon through the holes
7. Tie it into place & enjoy!
