DESIGNED IN CANADA 

2024/2025 PRODUCT CATALOGUE

Exceptional products at remarkable price points.

SHEDROW K9®

DESIGN EXCELLENCE

Showcasing the best in canine products, Shedrow K9® was first introduced to the equestrian community more than 25 years ago. Modelled after our exceptionally rugged and tough horse blankets, our dog coats offer unparalleled comfort, fit and warmth in the harshest conditions. No longer just for equestrians, our coats and gear can now be found on city streets across North America as word has spread about our hard-wearing, urban chic and reasonably priced product range.

For the discerning dog owner, Shedrow K9® is the only choice.

THERMAL THERAPY® CRATE MAT

WARMTH. CIRCULATION. RECOVERY.

Thermal Therapy® offers an outstanding, non-invasive and soothing technology. Made of a lightweight textile infused with ceramic powder to help loosen muscles and increase circulation. Fabric is constructed with exclusive technology designed to reflect Far Infrared (FIR) waves back to the body.

Far Infrared (FIR) therapy is a unique thermal-based therapy, long-studied for its beneficial effects in supporting musculoskeletal health. Exposure to Far Infrared (FIR) therapy has been shown to improve circulation, help increase oxygen in the blood cells and oxygen flow to the muscles, reduce inflammation in joints, tendons and ligaments, promote supple muscles and relieve joint stiffness!
