

# Bobby® Nursing Cover

## **Boppy® Nursing Cover**

- Feed neck strap through the buckle.
- Put around your neck.
- Drape over you and baby.
- Ensure nothing is obstructing baby's airways.
- There is a ridged neckline so you can see baby and a tracker to remember what side you nursed from last.

### **To store:**

1. Fold lengthwise in half and in half again keeping the pocket opening on the outside.
2. Fold 3 times a bit smaller than the pocket's size toward the back of the opening of the pocket.
3. Flip pocket inside out around the cover.
4. Tidy up as needed.

### **Washing Instructions:**

- Machine wash separately, Delicate Cycle, 30°C/85°F. Non-Chlorine bleach as needed.
- Tumble dry low on delicate cycle.
- Cool iron as needed. Do not dry clean.

## WARNING

### TO PREVENT SERIOUS INJURY OR DEATH

#### SUFFOCATION HAZARD

- DO NOT allow nursing cover to cover child's face or restrict air flow.
- DO NOT leave child unattended with nursing cover.
- DO NOT place in a crib, cradle, bassinet, playpen or play yard or anywhere a child may sleep.
- ONLY use as a nursing cover.
- Adult use only as this product is not intended for infant's use.

## ADVERTENCIA

### PARA EVITAR UNA LESIÓN GRAVE O LA MUERTE

#### PELIGRO DE ASFIXIA

- NO dejar que el cobertor para amamantar cubra el rostro del bebé ni que restrinja el flujo de aire.
- NO dejar al niño con el cobertor sin supervisión.
- NO ponerlo en una cuna, un moisés, un corral de juego o patio de juego ni cerca de un área donde pueda dormir un bebé.
- SOLO usarlo como cobertor para amamantar.
- Solo para uso adulto ya que este producto no está destinado a usarse con bebés.
