We make our men's leggings with high-quality, moisture-wicking, breathable fabrics that move with you.

- No bunching
- No squeezing
- No sliding down
- No BS

Keep reading for 6 activities that were made for Matador Meggings.

RUNNING

Runners need duds that don't ride up or cause the dreaded runner's chafe.

Matador Meggings stretch and move with your body. Here's why runners love them:

- Moisture-wicking fabric keeps you dry
- Form-fitting design reduces wind resistance
- Inner drawstring keeps pants in place
- Zippered pocket lets you securely store valuables
- Soft crotch cup keeps everything tucked and concealed
- Light compression improves circulation

YOGA

Guys need yoga pants, too. Yeah, we said it.

Here's why our men's leggings are perfect for yoga:

- The higher rise in the back prevents “crack-cidents” when you forward bend.
- The removable soft crotch cup conceals the goods while you're nailing the perfect bakasana (crow's pose).
- The above-the-ankle design lets your ankles breathe (full-length available, too).

Namaste!

WEIGHTLIFTING/ CROSSFIT

When you're lifting weights or tearing up your CrossFit routine, support is everything.

Matador Meggings compression tights are responsive to your body as you power through deadlifts, clean and jerks, and leg presses.

They protect your shins, support your knees, and keep blood flowing to prevent lactic acid buildup.

Bonus: They also conceal winter-pale pandemic legs.

A shirtless man with dark, slightly damp hair is shown in a boxing stance. He is wearing white briefs with a subtle pattern. His hands are clasped in front of his face, and he is looking directly at the camera with a focused expression. A large black square with the number '4' in white is overlaid on the right side of his torso.

WRESTLING/ BOXING

When you're on the mat or in the ring, your focus should be on the win, not on wardrobe malfunctions.

Wrestlers and boxers love Matador Meggings for the amazing range of motion they offer. The fabric moves and stretches with your body like a second skin. And the inner drawstring keeps your knickers firmly in place.

When every ounce of energy matters, our men's leggings deliver. They keep your muscles engaged and reduce muscle fatigue with light compression.

And we can't forget the optional soft crotch cup, which protects the goods and keeps the audience's attention on your performance, not your peen.

OUTDOOR SPORTS & EVENTS

Matador Meggings are incredibly versatile. Take them to the court to the field to the water (and back).

Wear them while rock climbing, cycling, surfing, snowboarding/skiing, or busting a move at your favorite festival.

The zippered pocket holds important stuff like car keys and cash. The loop in back holds your shirt or towel. The removable crotch cup lets you pick your poison, depending on your mood.
