

# USING YOUR COLUGO COZY

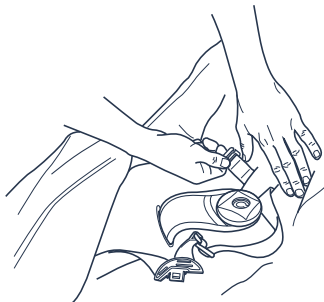

YOU CAN ALWAYS TEXT US AT 646.257.2810  
WITH QUESTIONS AS YOU GO.

**WARNING:** Never leave child unattended. Always keep child in view while in the stroller. The Cozy is intended only for use with Colugo strollers and may not be compatible with other stroller brands. Ensure that the Cozy is fully secured before use.

1. Slide the Cozy onto the stroller with the elastic loop around the footrest.

2. Disconnect the shoulder straps at the top of the seat, then pull the harness straps through the back of the cozy.

3. Attach the shoulder straps to the seatback at the appropriate height for your child.
