MAKE YOUR OWN
OILILY MASK

TIME TO SHOW YOUR ADVENTUROUS SIDE!
Let's make a mask like we did for
our "KENZA MASK" print...

Our KENZA MASK print was made from leftover bits and pieces put back together to create all kinds of tribal masks. Because why throw out, what you can use!

WHAT YOU NEED:

* A cardboard box
* Scissors
* Glue
* Thick colorful paper and/or carton, fabrics scraps, etc. You can use all kind of leftover bits and pieces to make/decorate the face.

HOW TO MAKE:

1. Take a big piece from the cardboard box
2. Cut out a face shape you like (a little bit bigger than the size of your head)
3. Cut out pieces from the colorful paper/carton, for the eyes, nose, mouth, hair, etc.
4. Use your creativity ...the possibilities are endless!
5. Glue the pieces to the carton face shape
6. Ask your mom or dad to cut out holes in the center of the eyes
7. Let's show it to us with hashtag #havefunwithoilily
We can't wait to see it :)!

LET'S PLAY! Each player takes turn drawing one line. If that line completes a square, the player writes their initial in the box and draws another line. Play continues until all dots have been connected. The player with the most boxes wins!
