SPRING THINGS

Here it is! A new Activity Book, inspired by our Spring/Summer 2021 collection.

We'd like to inspire you to have fun and explore your creativity during these spring days.

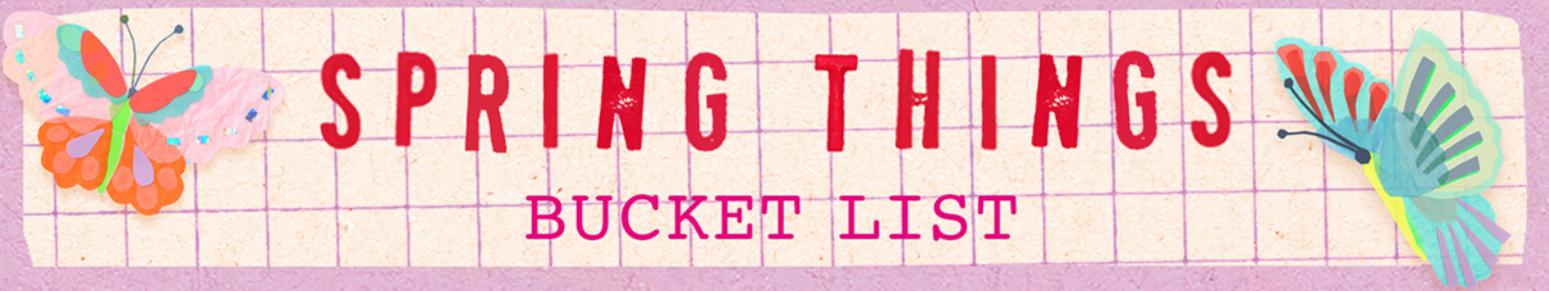

We filled this **SPRING THINGS** issue with new colouring pages and colorful DIY ideas; dream away with your own Oilily cardboard castle and surprise your loved ones with a handmade Oilily bouquet!

Show us your true colours! Download our Activity Book and send us pictures and/or videos of your best **#havefunwithoilily** vibes via Instagram to help us inspire other Oilily families.

Let's keep on spreading some fun and creativity! We can't wait to see it all...

MAKE YOUR OWN OILILY CARDBOARD CASTLE

WHAT YOU NEED:

- * empty cardboard box
- * empty rolls of toilet/kitchen tissue
- * coloured/glitter paper
- * paint
- * beads, sequins etc.
- * glue and/or tape
- * scissors

HOW TO MAKE:

1. Cut 4 pieces (in same size) of the cardboard (the walls)
2. Paint the empty rolls (the towers)
3. Glue the rolls/towers to the cardboard pieces/walls (as the image shows; one roll/tower at each corner)
4. You can use the elements on the next page to decorate the walls and towers
5. Cut half a circle (4x), make it into a cone shape and glue down the edges (the tower roofs)
6. Add beads, sequins etc. for some "blingbling"!

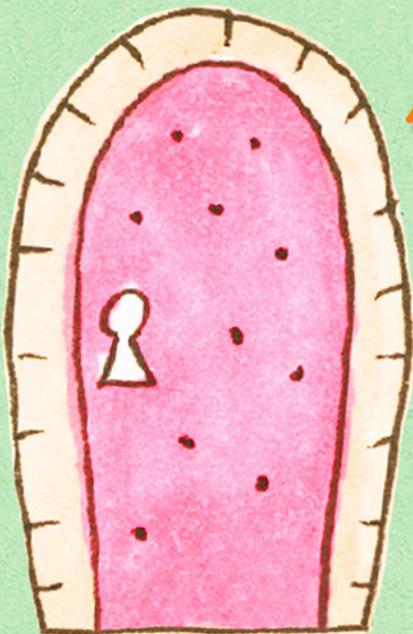

MAKE YOUR OWN

OILILY BOUQUET

WHAT YOU NEED FOR THE FLOWERS:

- * chenille stems, straws or wooden sticks (for the flower stems)
- * coloured tape, paper etc. (for the leaves)
- * beads etc. for extra decoration
- * tape or glue
- * scissors

WHAT YOU NEED FOR THE VASE(S):

- * empty bottle(s), tin(s)
- * paint (to decorate)

HOW TO MAKE:

1. Glue the flower parts (next page) on thick paper and cut them
2. Make holes in the centre of the flowers to attach the chenille stems
3. Use the coloured tape and paper to make the leaves
4. Use the tape or glue to adhere all the parts together
5. Add beads, tape, paper cut outs etc. (whatever you want :))
6. Make the vase(s) from the bottle(s) and/or tin(s) and paint/decorate them
7. Put the flowers in the vase(s)!

Yeahh, well done!
