

### Marker-Mate™ | Electronic Marker Locator

Knowledge, Solutions, Success,

### APPLICATIONS:

Marker-Mate is designed to locate buried electronic markers, including the patented Tempo Omni Marker™, and Uni Marker™. In fact, Marker-Mate sets an industry standard with the capability of detecting seven electronic marker types simultaneously (power, water, sanitary, telephone, gas, cable TV, non-potable water). Marker-Mate is user-selectable for any of the marker types, or the Scan mode will locate all marker types simultaneously and automatically determine which type is detected. Marker-Mate scan mode and its pinpoint accuracy reduces time spent locating buried utilities marked by Omni Markers, and Uni Markers. The Marker-Mate advanced pinpoint feature allows the user to adjust its detection threshold, making it possible to narrow the detection area to a precise location. Utilizing digital signal processor technology, the Marker-Mate is the most sophisticated and highest performing locator available. At the same time, the Marker-Mate was built to operate in all weather conditions. Tempo's Marker-Mate, Omni Marker, and Uni Marker...a complete solution.

#### FEATURES:

- Five+ foot depth range
- Detects up to seven different marker types
- · Scan mode provides simultaneous detection of all marker types
- · User-adjustable Detection Threshold
- · Digital signal processor accuracy
- · Large-character display is easy to read
- · Bar graph, numeric & audible signal strength indicators
- · Speaker volume adjust
- · Headphone jack
- · Battery level indicator
- · Low battery warning
- · Adjustable time out feature prolongs battery life (and can be turned off)
- · Weather resistant
- · Rugged construction

## Marker-Mate™ | Electronic Marker Locator

### S P E C I F I C A T I O N S

Electrical: Twelve AA batteries

Battery Life: 20 hours typical

**UPC** 

**Environment:** 

Operating Temperature: -4ÞF to 122ÞF (-20ÞC to 50ÞC)
Storage Temperature: -40ÞF to 158ÞF (-40ÞC to 70ÞC)

Weather Resistant

Physical:

 Length:
 30.7 in.

 Width
 7.8 in.

 Height:
 12.8 in.

Weight: 4.5 lbs. with batteries

ACCESSORIES MODEL

Headphone set 361 60778

Soft carrying case

Scan Mode: Automatically determines marker type detected (power, water, sanitary, telephone, gas, CATV, non-potable)

### RELATED PRODUCTS:

Omni-Marker Electronic Marker

Provides improved method to electronically mark and locate underground facilities such as power, water, sanitary, telephone, non-potable water, gas and CATV.

Uni Marker Electronic Marker

Suited for attachment to non-metallic utility box lids, hand holes, or other buried enclosures for power, water, sanitary, telephone, non-potable water, gas and CATV facilities.
