

ILLINOIS JUNIOR HIGH RODEO ASSOCIATION

Dear Business Owner:

As a member of the Illinois Junior High Rodeo Association, I would like to share with you the information about our association and our upcoming events. As we prepare for the spring rodeo season and state finals, we are looking for organizations and businesses that would be interested in helping us finance the rodeo through sponsorship and advertising. The Association is comprised of junior high members from across the state of Illinois, and is part of the Illinois High School Rodeo Association and the National High School Rodeo Association. Each year, the association raises money to organize rodeos for the Illinois members, and for the Illinois Junior High State Finals- which serves as the qualifying event for the National Junior High Rodeo Finals, to be held in 2019 in Huron South Dakota.

The Illinois Junior High Rodeo Association is a nonprofit organization, and is responsible for generating the funding for all events. We are hopeful that your organization will consider sponsoring this youth activity with a financial contribution. Thank you for considering this opportunity to support Illinois youth.

Thank you-

Illinois Junior High Rodeo Association Member
