CANVAS HOME

simplicity since 2007

We're very excited to be introducing a variety of newness this season- new collections as well as extensions to existing lines- all designed with entertaining and gathering in mind.

We have a fabulous new collection called Reims which is inspired by the wonderful pottery of Southwest France. Whether your hosting style is formal, or you prefer a more laid-back, family-style spread, the variation of pieces and deeply saturated colours in this line make it an extremely compelling component of any tablescape.

We have worked with our cutlery maker to produce a wonderful five-piece cheese set composed of the ideal knife and fork styles for cutting and serving all manners of cheese. This is a highly practical and glamourous set that will make a fabulous gift as it comes in a high-quality gift box, which most people will want to keep for storing these items between dinner parties.

We're also incredibly proud to present the inaugural ED Ellen DeGeneres x Canvas Home collection, which is a beautiful collaboration between Ellen's thoughtful design philosophy and our signature simplicity and style. The result is Lafayette: a scallop-edged dinnerware family with nature-inspired hues and a subtle low gloss finish. Paired with complementary table linens, the collection evokes Ellen's Montecito garden and the soft, sophisticated colors of a California Spring. Infused with warmth, style, and the joy of gathering, this line encapsulates Ellen's most cherished values. Simply stunning!

This collection was designed in collaboration with the classically trained and highly accomplished British ceramicist, Daniel Smith. Smith's expert understanding of clay bodies works perfectly in conjunction with Canvas Home's transparency glazes. The combination imbues each piece with a delicate subtlety of tone, much like that of a watercolor palette. Introduced this season in a striking wash of blue, this family is a study in simple sophistication.

Items marked with an asterisk (*) are While Supplies Last items and their availability is not guaranteed through the season. Stock availability can be obtained at any time by contacting our Customer Care department. At our discretion, we may accept orders of less than \$250, however, a \$15 below minimum order fee will be applied.

Customer Service (excluding UK & EU): <u>customercare@canvashomestore.com</u> United Kingdom & European Union customers should contact: <u>EUwholesale@canvashomestore.com</u> for pricing and ordering information.

Pricing

Wholesale pricing applies to customers with a storefront and state-issued resale number. New customers must provide appropriate documentation prior to first order being placed. Trade pricing is extended to architects and designers. Please contact Customer Care for a copy of our most up-to-date pricing guide: customercare@canvashomestore.com. Prices are subject to change without notice.

Payment Terms

Canvas Home requires 100% payment at time of shipping, inclusive of all freight and/or shipping charges. Payment is accepted via credit card (Amex, MasterCard or Visa) or company check. If pre-paying by check, funds must post prior to shipping goods. There will be a \$50 fee applied for returned checks. Orders with declined credit card will be held for 14 calendar days, and customer will be contacted for alternate payment. Payment must be received within 30 days or order will be cancelled. In this instance, stock will not be held and cannot be guaranteed if the customer wishes to ship the order at a later time.

Order Cancellation and Changes

Changes to orders can be accommodated before order reaches warehouse for fulfillment. If order has been processed, order changes cannot be accepted. Order cancellations must be in writing, and received prior to shipping. If order is already packed to ship, cancellation will require a 20% restocking fee.

Standard Shipping

Cost of goods <u>does not</u> include shipping or handling charges. All orders are shipped from our warehouse in Morristown, NJ. Canvas Home is proud to announce the implementation of a new Flat-Rate Shipping Program for all standard wholesale shipments with destinations in the continental U.S. Please reference the <u>Canvas Home Flat-Rate Shipping Chart</u> for the rates to your area. These rates are subject to change without notice. Please contact Customer Care for the latest chart: <u>customercare@canvashomestore.com</u>. Through this program, Canvas Home reserves the right to ship via preferred carrier at our discretion (UPS, FedEx Ground, USPS etc.). We are also happy to use customer's own shipping account, if it is provided at the time the order is placed.

Confirmed orders will be shipped as outlined in the order confirmation. It is customers' responsibility to notify Canvas Home <u>prior to shipping</u> if changes are needed for the order. Failure to notify Canvas Home of any changes that result in shipment refusal will incur a 20% restocking fee.

Freight & International Shipments

Freight shipments are FOB our warehouse. A shipper will be determined on a case-by-case basis and is subject to change without notice. Customers may use their own freight forwarders if prior arrangements have been made. Routing information must be specified at the time order is placed. Canvas Home will not be responsible for any fees incurred due to incorrect shipping, packaging, labeling, etc. without prior written agreement to shipping specifications. Special handling requests are subject to extra charge. Due to the nature of our products, some items must be shipped in oversized cartons which may result in higher freight costs. Canvas Home does not ship C.O.D. and all freight charges must be paid in full prior to shipment pick-up. If a carrier must be turned away due to lack of payment, customer is responsible for any fees connected to the cancellations and/or re-scheduling of the pick-up.

Drop-Ship Services

Canvas Home offers drop-shipping on a case-by-case consideration. A \$10 drop-ship fee will be added to each drop-ship order. Canvas Home reserves the right to refuse drop-shipping at any time. Please contact your sales representative for more information.

Ticketing (add on service/special request)

Canvas home will consider customer specific item labeling on a case-by-case basis with a value added service of \$0.25 per ticket which must be agreed upon and included at the time of order placement and invoicing.

Rush Orders

We will gladly expedite your order upon request, if possible. Rush orders will include a \$75 rush fee and order must be received before 12:00 PM EST to ship same day.

Backorders & Future Shipments

Canvas Home makes every effort to remain in good stock standing at all times and always communicates stock outages with customers when orders are placed. Canvas Home does not reserve stock for future shipments and cannot guarantee stock availability if a future ship date is set for an order. If, for some reason, an item cannot ship on the ship date specified, it will be placed on backorder unless the customer has directed otherwise. Unless a specific cancel date has been supplied by customer all backorders not shipped after six (6) months will automatically be cancelled.
