

Position Title: CNC Cutting Machine Operator - Full Time

About Flowfold

Flowfold designs and manufactures wallets, bags, and accessories that are built to last a lifetime. We are advocates for adventure, nature, resourcefulness, and most importantly, sustainability. We make products that you can count on.

We are looking for a qualified and committed individual to join our team as a CNC Cutting Machine Operator. As a CNC Cutting Machine Operator you will be crucial to all aspects of our operations. CNC Cutting Table Operation is the beginning of our manufacturing process. This position requires maximizing our material yield for reduced waste. It also requires supporting our team of stitchers through organizing and preparing materials for assembly. If you love outdoor products, recycled materials, working with your hands and reducing our impact on the environment, our team is the place for you.

Requirements:

- Ability to lift 50 lbs
- Ability to work independently
- Detailed Oriented
- Computer Skills
- Problem Solving Skills
- Positive Attitude
- Continuous Improvement Mindset

A good attitude and a willingness to learn are our only requirements. Experience with machines is not necessary.

Key Competencies

- Team Player. Ability to work independently
- Excellent Communication Skills
- Responsible and Reliable.

Compensation and Benefits

- Compensation: \$17+ per hour, depending on experience.
- Eligible to participate in Flowfold's Healthcare Plan
- 5 Paid Holidays plus 5 Paid Sick Days
- Annual Performance Reviews
- Flexible Scheduling Post Training Period
