MOBILE WORK

TANOS Mobile Workshop

FLEXIBLE AND MOBILE ON THE GO

TANOS perfects your everyday work

As the manufacturer behind the systainer[®] connectable storage system – which has sold millions of units to date – we always have our eye on the latest trends. Today, flexibility and mobility are central facets of everyday work for most tradespeople. Our mobile workshop offers the flexibility you need, ensuring it is ready to use for any application. Compact, comfortable, and with maximum portability, the mobile workshop can be set up anywhere you need it. That's efficiency that pays off!

- **Easy to use:** Simple to handle and transport, even on your own

SAFE

- Safely attach work surface to the cart for transportation using the integrated strap

MULTIFUNCTIONAL

- Flexible clamping mounts on all sides
- Can be connected to additional work tables (TSB/1-MW 1000) on all sides
- Even, stable and consistent work surface

STURDY

- Adjustable feet
- Cart stands on four feet – not on the rollers

- **Robust:** Trolley and wheels easily handle uneven surfaces

- **Independent:** The mobile workshop is ready to use whenever and wherever you need it

- **Sturdy:** The stable construction ensures optimal working conditions anywhere

- **Ready to go!** Quick storage and everything in place for the next job site

FLEXIBLE

- Integrated MDF work surface for safely attaching additional systainer® (also suitable for MIDI systainer® + Classic Line)

ORGANIZED

- Stable drawer (SYS-AZ-MW 1000)
- Perfect fit for mounting systainer® with base area of W 15-9/16" x D 11-5/8" (396 x 296 mm)
- Custom fitting with drawers
- Variable height adjustment without tools

RELIABLE

- T-Loc catch to attach the systainer® to the mobile workshop

PRACTICAL

- Easily load into a vehicle with sliding surfaces on the handle

INTUITIVE

- Three different position settings – locks automatically

STURDY

- Large rubber wheels, 7-7/8" (200 mm) diameter for easily climbing stairs, without gravel residue or visible wear to floors

CLEVER

- Storage for MINI-systainer® T-Loc I in the base tray

Mobile Workshop
