Insulated-systainer®

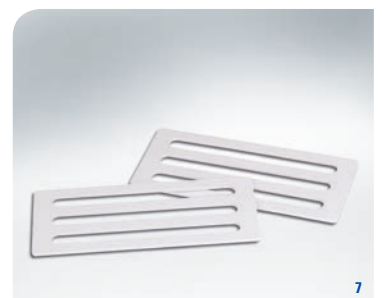

The **Insulated-systainer®** are especially suitable for the safe dispatch of diagnostic samples of the material class **UN 3373**, fully correspond the packing regulation **P 650** and were tested and approved by the BAM in Berlin (Federal Institute for Materials Research and Testing).

Our Neopor and EPP inlays are equipped with a groove on both sides to optionally attach dividers. Thus cooling packs can be inserted without having to touch neither the sample nor the cooling pack.

Advantages of the referring inlay:

In contrast to common styrofoam inserts the **Neopor inlay** has far better insulation properties. In addition it offers more stability for only a small difference in price.

The **EPP inlay** is characterized by its extreme sturdiness. It can be easily cleaned in industrial dish washers.

 for systainer® T-Loc lid I - V art n° 80101001

23 Base pick & pluck foam, 25 mm, rigid
 for systainer® T-Loc I - V art n° 80101007
 Perforated cubes, 15 x 15 mm, for quarrying out

Base pick & pluck foam, 25 mm, smooth (without pic.)
 for systainer® T-Loc I - V art n° 80101005
 Perforated cubes, 15 x 15 mm, for quarrying out

24 Insert for small bits, 3 compartments (vario 3)
 for systainer® T-Loc I art n° 80500036
 Incl. 9 dividers for 12 variable compartments
 More dividers available as a set, 5 pieces each
 (max. number of compartments: 33, with 30 dividers)

25 Spray can insert, EPP
 for systainer® T-Loc IV + V art n° 80101022
 Suitable for most common aerosol cans (max. 14)
 H: 130 mm, D: 110 mm, Ø 69 mm

26 Drawer "SYS-AZ"
 individual light grey art n° 80101664
 set of 5 light grey art n° 80590641
 Pull-out shelf, suitable for systainer®. Telescopic rails are suitable for 32 mm hole line. Simple and fast self-assembly. Carrying capacity: 20 kg

27 Additional front handle incl. adapter plates
 light grey art n° 80500044
 anthracite art n° 80500045
 for carrying the systainer® T-Loc I + II and MIDI-systainer® T-Loc II upright

28 Caster "SYS-CART"
 With additional holding fixture for MAXI-systainer®
 Four swivel castors, two of them with brake function.
 Big wheels (ø: 100 mm) and wheel bases for optimal running, recessed grips on the sides and through holes for U-lock.
 Carrying capacity: 100 kg art n° 80600196

29 Transport trolley "SYS-Roll"
 black / light grey art n° 80101699
 for systainer® I - V, Drawer-systainer®, Rack-systainer® IV, systainer® Tool-Box 1 + 2 and systainer® Storage-Box. Roll board and sack barrow function. Carrying capacity: 100 kg

30 Folding trolley "MAXI-TRAPO"
 for systainer® I - V, MIDI-systainer® T-Loc II + III, Drawer-systainer®, Rack-systainer® IV, systainer® Tool-Box 1 + 2, systainer® Storage-Box and MAXI-systainer® II + III art n° 80000056
 Carrying capacity: 150 kg

31 systainer® T-Loc safety set
 for systainer® T-Loc I - V and MIDI-systainer® T-Loc II + III
 light grey art n° 80101201
 anthracite art n° 80101202
 Consisting of lockable T-Loc catch, metal barrier, protective washer, circlip and 2 keys

32 Adaptor-set "ADAPT-L", 2 parts
 light grey art n° 80600242
 anthracite art n° 80600243
 Fastening of big, broad parts and containers on the outside of the systainer® T-Loc I - V and MIDI-systainer® T-Loc II + V

Service

We will work together with you to find a suitable solution for your individual needs and take over planning, sample construction and mounting, if desired.

Design

With an individual choice of colours for body and lid, handle and catches you can adapt the appearance of your systainer® to your corporate design.

Print

Your company logo or a publicity slogan can be printed on all four sides of the systainer® body on the lid and on the

catches – even in colour print. The minimum quantity is only 50 pieces.

Labelling

We have special labelling sets available for you as accessories. Different design suggestions can be downloaded from our website www.TANOS.de.

Colours

Besides two basic colours (light grey and anthracite) you have a choice of other standard colours. Furthermore, due to different colours of the catches and the handle, you can create your individual systainer®.

Colour overview

Body with lid, handle and catch

- RAL 7035, light grey
- RAL 7016, anthracite
- RAL 9004, black
- RAL 1007, daffodil yellow
