

Create With Us: Bubbles of Joy

thank you!

Thank you for being part of our class! Remember, these are YOUR cards, and no one is going to compare them to ours. Making substitutions and switching things up is a benefit of working from your crafty space. I foam tape/pop up all the things. I also glitter a lot of things. I will list the items that I did so for each card, but remember you do you and- just have fun!
