Copic Coloring Guide

You can use any coloring medium during class. Jenn will be coloring with the following Copic markers and will teach her blending tips and tricks. No matter what coloring medium you are using, these coloring guides will help with where to put the shadows, and color choice. Jenn shares more about Copic marker basics here: www.shurk.us/copic101 she even has an online Copic class where you can learn even more! www.shurk.us/class-copic101

Before class TIP: using a low tack tape/washi tape temporarily adhere your images to a strip of tape to make it easier to hold onto the images while coloring in class (shown below)
