## Copic Coloring Guide

You can use any coloring medium during class. Jenn will be coloring with the following Copic markers and will teach her blending tips and tricks. No matter what coloring medium you are using, these coloring guides will help with where to put the shadows, and color choice. Jenn shares more about Copic marker basics here: [www.shurk.us/copic101](http://www.shurk.us/copic101) she even has an online Copic class where you can learn even more! [www.shurk.us/class-copic101](http://www.shurk.us/class-copic101)

**Before class TIP: using a low tack tape/washi tape temporarily adhere your images to a strip of tape to make it easier to hold onto the images while coloring in class (shown below)**  
**Jenn also attached the smaller die-cut pieces out of Distress Watercolor Cardstock to make watercoloring easier**

**Note: all images may not be shown, just those that are smaller that we will be coloring, refer to the prep for a full list**
