GMO status

No obligation of GMO labelling as defined in EC reg. 1829/2003 / 1830/2003.

This information is based on calculations of our raw material suppliers. This is a theoretical nutritional value calculation and no analysis! All information without guarantee!

We do not assume guarantee of stability for hygroscopic raw materials and products.
 Please note that all new products and label changes in existing products (layout, quantities, ingredients, etc.) must be registered at the „Bundesamt für Verbraucherschutz und Lebensmittelsicherheit “.

The distributor under whose name the product is marketed bears sole responsibility for the marketability of the products, also with regard to the ingredients, concentrations, dosages and claims.
 The contract manufacturer carries out regular, random checks on the labels sent and created by the customer.
 This is a voluntary and non-binding service.
