

European Oak Brunswick

Our European Oak range is the culmination of performance, durability and beauty in flooring. Featuring a solid 2mm veneer of sustainably sourced European Oak on top of a multi-ply substrate, these boards are not only beautiful but extremely durable. The 5G locking system also allows for easy installation.

9 Layers of UV Acrylic Coating

2mm Veneer of Engineered Oak Timber

10mm Engineered Multiply Substrate

PRODUCT SPECIFICATIONS

Type	European Oak	Board Dimensions	2100 x 190 x 12mm
Description	Engineered multi-layer natural timber veneer interlocking floor boards featuring 5G locking system		
Installation Method	Direct Stick or Floating	Profile	Micro-Bevel
Timber Grade	ABCD	Finish	Light Wire Matte Brushed
Coating	Factory Coated with Nine Layers of UV Cured Acrylic		

PACK SPECIFICATIONS

M² Per Pack	3.19m ²	Boards Per Pack	8
Pack Dimensions	2115 x 198 x 106mm	Pack Weight	21kg

TEST DATA & WARRANTY

Fire Rating	Critical Heat Flux: 4.2kW/m ² Smoke Value: 8% minute	Slip Resistance	P3
Acoustic Rating	44 LnTw*	Sustainability	Forestry Stewardship Certification® (FSC®)
Warranty	25 Year Residential Warranty 10 Year Commercial Warranty		

Timber is a natural material and variations in colour, texture and other naturally occurring features occur between pieces and batches of the same species. Timber flooring, whilst dried during production, continues to take up and give up moisture during its life, depending on weather, aspect and local conditions. In so doing, some movement and changes to the surface of your floor are to be expected and will be apparent. This is normal and may include fine cracks on and between boards and changes in colour.
