

## AQUA-TUF

Our 8mm Hybrid range provides the best of laminate and vinyl flooring while boasting the look and feel of solid timber. Hybrid flooring is incredibly versatile and can be installed throughout the entire home. Featuring a wood-textured, extra matte finished, protective face layer, Aqua-Tuf is available in a range of contemporary wood decors that mimic the natural grains and patterns of European oak and Australian native timber species.

Stain Resistant & Easy to Clean Protective Wear Layer

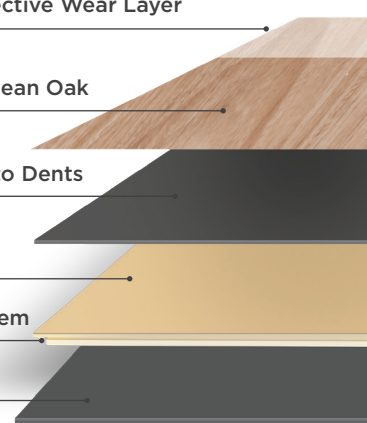

Decor of Australian Species or European Oak

Durable Vinyl Wear Layer, Resistant to Dents

Rigid Wood Plastic Composite Core

Licensed 2G Drop Lock Locking System

1.5mm Pre-attached Underlay
