

Luxury Oak Collection

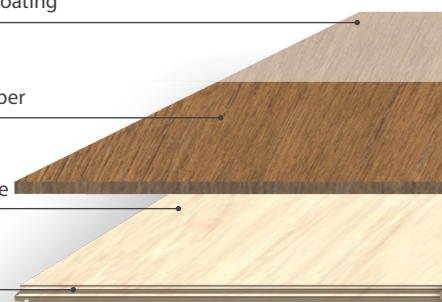

Our European Oak range is the culmination of performance, durability and beauty in flooring. With a range of contemporary colours available, there is a style to suit any interior vision. Featuring a solid 3mm veneer of sustainably sourced European Oak on top of a multi-ply substrate, these boards are not only beautiful but extremely durable. The 5G locking system also allows for easy installation.

Installation Method	Direct Stick or Floating	Profile	Mirco-Bevel
Coating	Factory coated with seven layers of UV cured acrylic	Finish	Light Wire Brush
Timber Grade	ABCD	Nested Lengths	Max 15% Per Pack

PACK SPECIFICATIONS

M² Per Pack / Pallet	2.81m ² /112.48m ²	Boards Per Pack	8
Pack Dimensions	1875 x 212 x 120mm	Pack Weight	24kg

TEST DATA & WARRANTY

Fire Rating	Critical Heat Flux: 3.3kW/m ² Smoke Value: 29% minute	Slip Resistance	P3
Janka Rating	6	Sustainability	Forestry Stewardship Certification® (FSC®)
Acoustic Rating	58db (floated)	Warranty	25 Year Residential Warranty 10 Year Commercial Warranty

Timber is a natural material and variations in colour, texture and other naturally occurring features occur between pieces and batches of the same species. Timber flooring, whilst dried during production, continues to take up and give up moisture during its life, depending on weather, aspect and local conditions. In so doing, some movement and changes to the surface of your floor are to be expected and will be apparent. This is normal and may include fine cracks on and between boards and changes in colour.
