

Laminate Flooring

PRODUCT SPECIFICATIONS

Type	Laminate Flooring	Style	Single Plank
Description	8mm Laminate with HDF core		
Board Construction	8mm HDF Core		
Installation Method	Floating	Finish	Light Wire Brush
Profile	Micro-Bevel	Timber Grade	N/A
Dimensions	1215 x 195 x 8mm	Boards per Pack	10
m² per Pack	2.369m ²	Underlay	

TEST DATA

Fire Rating	Critical Heat Flux: 5.2KW/m ² Smoke Value: 5%	Slip Resistance	P2
Acoustic Rating	40 LnTW 6 Star (With 2mm Evaylay underlay) refer to Terra Mater Evaylay underlay		

Warranty	20 Year Residential Warranty Life Time Structural Warranty
Variations in Timber	<p>Timber is a natural material and variations in colour, texture and other naturally occurring features occur between pieces and batches of the same species.</p> <p>Timber flooring, whilst dried during production, continues to take up and give up moisture during its life, depending on weather, aspect and local conditions. In so doing, some movement and changes to the surface of your floor are to be expected and will be apparent. This is normal and may include fine cracks on and between boards and changes in colour.</p>
