PACK SPECIFICATIONS

M² Per Pack / Pallet	0.73m ² /122.97m ²	Boards Per Pack	10 (5 left / 5 right)
Pack Weight	7.5kg		

TEST DATA & WARRANTY

Fire Rating	Critical Heat Flux: 4.2kW/m ² Smoke Value: 8% minute	Slip Resistance	P3
Acoustic Rating	58 LnTw*	Warranty	25 Year Residential Warranty 10 Year Commercial Warranty

Timber is a natural material and variations in colour, texture and other naturally occurring features occur between pieces and batches of the same species. Timber flooring, whilst dried during production, continues to take up and give up moisture during its life, depending on weather, aspect and local conditions. In so doing, some movement and changes to the surface of your floor are to be expected and will be apparent. This is normal and may include fine cracks on and between boards and changes in colour.
