Please note below any medical conditions and/or allergies (or sensitivities) to food, environmental conditions or any other triggers so we can evaluate whether we can safely care for your dog.

1. _____ 2. _____ 3. _____

REQUIREMENTS FOR DOG IN OUR CARE:

- Dogs over 12 weeks old must be current on all of these vaccinations: Bordatella, Canine Influenza, DHPP, Leptospirosis, and Rabies. Because they are not protected against these diseases, **we do not accept puppies younger than 12 weeks.**
 - *Note: Bordatella & Canine Influenza are highly contagious airborne viruses. If we observe symptoms, your dog must be picked up. If you aren't able to do so, we'll take your dog to our veterinarian for observation and treatment at your expense.*
- Dogs over 6 months old must be spayed/altered.
- Dog(s) must be on an oral or topical flea regimen.
- Vet records are provided to us in advance of your dog's stay.
