1.1 OUR MISSION

To offer products, education, tools, opportunities, and stories to Cleanse, Nourish, and Inspire the world towards the mastery of healthful self-care. Starting with our Self, Family, Household, Tribe, and the Community we are connected to ...

1.2 OUR FOUNDER

Meet our founder, Zuman Rev, who has 30 years+ of experience as a TCM Doctor, Detox expert, QiGong master, WanderingDao QiGong School Founder, and CEO of Strong Pulses International Co. Ltd. He says:

‘ YOUTH IS A GIFT; IS AN ART! ‘

– Zuman Rev

Let me start with a striking sentence, OUR HEALTHCARE SYSTEM IS CORRUPTED! Wow! Isn't that a kickstart? Let me explain why.

Health, with all the knowledge we have gathered over the centuries and all the information and resources we can access nowadays, there is no reason to be afflicted by so many illnesses, especially since most of them are lifestyle related. If the world suffers that much today it is because it hasn't been offered the correct information, education, food, and medicine.

As my Medical Qi Gong master once told me: "Healing your body is the baby step, so get over it! I'll share with you some simple tools, and ... you do it, you get it!"

If one is born with a vibrant body and mind, growing healthy is not luck but a lifestyle. Health is the natural outcome if we maintain and support the body's various systems by cleansing, feeding, and stimulating it properly through conscious breathing and exercises. Normally this education should have been shared from childhood in our educational system so that once we reach adulthood, all the complex knowledge could be assimilated so we can pass it to our kids. But since it is not the case in our modern society, we commit to sharing with you elements of this art of living.

And it all starts with cleansing ... Yes, cleanse first!

1.2.1 ► WHY IS IT SO CRITICAL?

The human body in normal and natural conditions is a self-healing, self-renewing, self-cleansing organism, a stunning machine that has developed and fine tuned over thousands of years. When the right conditions are created, vibrant health and well-being are its natural state. We have separated ourselves from the ways of nature and living under much less natural conditions nowadays. The toxicity of our planet and environment is undeniable. The air we breathe, the water with which we drink and shower, the foods we eat, the cosmetics we use, and the buildings we live and work in, are loaded with toxic chemicals that alone or in combination cause diseases, much suffering, and even death. When we remove these burdens and add what supports health, our bodies bounce back into radiant health as if by magic. This is natural, common-sense medicine, enabling the body to heal, regenerate, and even rejuvenate itself, as it is designed and programmed to do.

With this in mind, if you live in a modern city and want to stay healthy, there are two essential practices to integrate into your life: (1) cleansing (detoxification) and (2) feeding yourself with the most potent nutrients and natural foods, just as nature delivers.

CLEANSING IS A LIFESTYLE TO INTEGRATE!

THE POWER IS IN YOUR HANDS!

1.3 ► 1.3 OUR FRIENDS SAY:

'the most effective way to clear internal dampness'

-Ross J Barr Acupuncturist, England

'the key to a healthy lifestyle.'

-Susan Qiu Chinese translator, China

'release without pain'

-Joël Vetter Engineer, Switzerland

'a perfect accompaniment to natural health therapy'

-Nacho De La Naturaleza, Detox Retreat Leader

1.4 ► 1.4 WE ARE HONORED TO HAVE YOU ON BOARD ...

Help your tribe feed their life! The journey back to health has been explained as a fight against evil illnesses. No energy has been invested, and knowledge shared to make the quest for health a celebration through feeding the life within. More effort must be put into increasing our frequency and sharing what makes our body and mind stronger and happier. Help us provide life! Help us change the fear-based healthcare system to a feed-based one.

Cleansing and feeding your tribe is the most concrete way to improve our environmental issues.

Side effects of cleansing ...

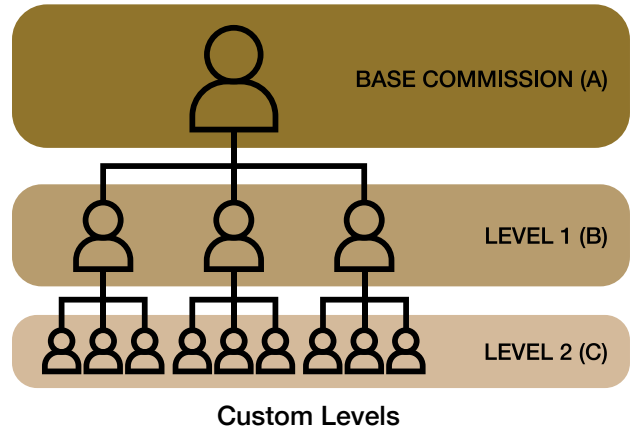

Learning what is good for you is also knowing what is good for the environment; everyone can do this now! Cleansing ourselves is the first step, and this process will also be cleansing the planet.

NOW LET'S GET INTO BUSINESS ...

The following will give you some tools to lead you toward success!

2.1 THREE-LEVEL MARKETING PROGRAM (3LMP)

a. The ZenCleansz Affiliate System is based on three levels. In our 3-level system, your affiliates can recruit newer affiliates (downlines) under them and those downlines further down can recruit more affiliates. It creates a hierarchical network, where for any sale referred by downline affiliates, a commission is provided to upline/parent affiliates in the network.

2.2 COMMISSION LEVELS

The 3 Levels of commission are described in the affiliate site like below:

	Commission Level	% of Each Sale	How you earn
A	Base Commission	15%**	Orders using your referral link. **When "Free Shipping" on an order applies, shipping costs are deducted from the total of the sale
B	Level 1 (Direct Affiliate) [Affiliate signed up with you as their sponsor]	5%	Orders using any of your Direct Affiliates referral link
C	Level 2 (Indirect Affiliate) [Affiliate signed up with one of your Direct Affiliate's as their sponsor]	1%	Orders using any of your Indirect Affiliates referral link

2.3 HOW TO EARN COMMISSION

- a. When you are a customer clicks your referral link and makes a purchase, you earn a base commission.
- b. Once a customer completes their first order using your link, they will be considered your customer, and you will receive a base commission on all of their ongoing purchases.
- c. When a purchase is made at either Level 1 (B) or Level 2 (C) for affiliates or customers, you earn the applicable Level 1 or 2 commission.
- d. Coupon codes that apply a discount on purchase are sometimes offered on the website, in direct promos, and through profit-sharing coupon codes. The commission is calculated AFTER the coupon code discounts are applied.
- e. Profit Sharing / Discount Coupon Code
 - i. You can permanently convert 5% of your base commission into a 5% discount coupon code. This discount coupon code is applied to **EACH** checkout automatically for all purchases made by you and of your customers. To create your discount coupon code, email affiliates@zencleansz.com. ****This is a 1-time change and cannot be reversed.**
- f. Personal Purchases
 - i. Affiliates can make purchases and receive their base commission on their orders (minus coupons/sales/free shipping, if applicable).
 - ii. Up-line affiliates (your sponsor and their sponsor) also make their affiliate commission on your purchases.
 - iii. You can make a personal purchase through the SHOP tab of your affiliate dashboard.
 - iv. Personal discount coupon codes are allowed on personal purchases.

2.4 ➤ 2.4 COMMISSION EARNING EXAMPLES

**Prices listed below are for example purposes only. Prices are subject to change.*

- a. Share your referral link with another customer
 - i. Alice gives her friend Brenda her referral link. Brenda clicks the link which takes her to the ZenCleansz site, adds (1) ZenCleansz One (NT\$7,340) to her cart and checks out. When Brenda completes her order, Alice will earn a Base Commission (A) of NT\$1,101 (15% of the total sale).

- b. Returning customer
 - i. From the above example, Brenda returns back the next week to purchase (1) ZenCleansz Forgive (NT\$7,340) this time without using the referral link. She also uses a coupon code for NT\$340 off and completes her order for a total of NT\$7,000. Even though Brenda did not use the referral link this time, she has already been connected to Alice from her first purchase, so Alice will still receive a Base Commission (A) of NT\$1,050 (15% of the total sale – after the discount).

- c. Level 1 customer
 - i. Alice lets her friend Bryan know about the affiliate program, and he is interested in joining. Alice shares her affiliate signup link with Bryan, who then fills out the affiliate application and joins the program. As soon as Bryan submits his application, he is automatically connected as a downline affiliate of Alice. Bryan is now one of Alice's Level 1 (B) Direct Affiliates and Alice will receive a Level 1 (B) commission on all of Bryan's sales and purchase going forward.
 - ii. A customer orders (1) ZenCleansz Forgive (NT\$7,340) using Bryan's referral link.
 - iii. Bryan receives the Base Commission (A) of NT\$1,101 (15% of the total sale), and Alice receives Level (B) commission of NT\$367 (5% of the total sale).

- d. Level 2 customer
 - i. Bryan tells his brother Chris about the amazing products, and Chris decides to also join as an affiliate. Bryan gives Chris his referral sign-up link, and Chris completes his affiliate application and joins the program. As soon as Chris submits his application, he is automatically connected as a downline of Bryan. Chris is now one of Bryan's Level 1 (B) Direct Affiliates, and Bryan will make Level 1 (B) commission on all of Chris's sales and purchases going forward. Chris is also now one of Alice's Level 2 (C) Indirect Affiliates (connected through Bryan), and Alice will make a Level 2 (C) commission on all of Chris's sales and purchases going forward.
 - ii. A customer orders for (1) ZenCleansz Forgive (NT\$7,340) using Chris's referral link.
 - iii. For the sale, Chris receives the Base Commission (A) of NT\$1,101 (15% of the total sale), Bryan will make a Level 1 (B) commission of NT\$367 (5% of the total sale). Alice will make a Level 2 (C) commission of NT\$73 (1% of the total sale).

2.5 ➤ 2.5 PAYOUT

- The payout can be a Store Discount Code or PayPal payout. Affiliates set the commission payout preferences in the “Settings” tab of the Affiliate Dashboard. **A payment method must be selected for payout to be completed.**
- Commission balances are **paid in full** using PayPal payouts during the first week of every month for all accounts with a minimum commission of NT\$10,000 (approx. US\$335) or greater. *PayPal payouts are subject to applicable transfer and exchange fees.
- Store Discount Coupon Codes can be manually created in the Affiliate Dashboard under the “Payments” tab. Look for the blue “Redeem” box. Store-Discount Coupon Codes can be generated at any time of the month after commissions reach NT\$10,000 (~US\$335) or greater. Only one discount will apply at a time, so if you have a customer discount, it will not apply. The entire amount of the Store Coupon must be used; any balance is not reverted to the account or saved; it is a one-time use coupon. Commissions are earned ONLY on the remaining balance AFTER the Store Coupon has been applied. To earn free shipping, balance after Store Coupon has been applied has to meet the current required balance for free shipping.

2.6 ➤ 2.6 AFFILIATE SIGN UP

- To become an affiliate, you must fill out a Partner Application and Account Signup form and purchase a Membership Pack. PRIOR PURCHASES DO NOT APPLY. Membership Packs are subject to change without notice.
- Visit <https://zencleanz.com/pages/zencleanz-affiliates> and click the APPLY NOW link on the bottom of the page. Fill out the details where applicable.
 - **Your affiliate account is separate from your zencleanz.com account.** You can use the same email, but you will have TWO different accounts, one for purchasing at ZenCleans.com, and one for your affiliate login (which can also be found on the top banner of ZenCleans.com).
 - If you use a different email account for each account, the system will NOT automatically connect you as a customer for your purchases. You will need to contact affiliates@zencleanz.com to request the other email used and the purchases made be connected to you as a customer purchase.
 - If you are signing up underneath another affiliate and use their sign-up link, their name should be shown as a sponsor in your application. You can also manually type to search for your sponsor’s name.
 - Once you complete your application you will be prompted to selected and purchase one of the Membership Packs. PRIOR PURCHASES DO NOT APPLY. Membership Packs are subject to change without notice.

4. What is a downline?

When a person signs up to become an affiliate, they, in turn, can sign up, or recruit, another person to become a new affiliate or “downline” below them (Level 1). The new person, in turn, can sign up a new affiliate or “downline” below them as well (Level 2 to the first affiliate). This creates a hierarchical network of affiliates, and in this program, affiliates earn commissions on sales and purchases on their downline affiliates up to two levels. The term upline, would be the “parent” or recruiter of the affiliate.
