#### First-hand update on Turkey

Innovative Travel's Robyn Galloway has just completed an update visit to Turkey and says tourism continues to be vibrant in the destination.

'The new Istanbul Airport is very large and is approximately 70 to 90 minutes travel to Istanbul's old city. Agents need to be aware that for clients arriving internationally to connect with a TK domestic flight, a connection of 2.5 hours is realistic and allows for the larger airport logistics.'

While in Istanbul, Galloway completed a Grand Bazaar private rooftop tour and says it was an incredible experience.

'James Bond and Liam Neeson fans will recognise the famous scene,' she

adds. 'Innovative Travel has private tour options available for clients with a sense of adventure. Coach tour options for 2024 care now also available, including special Anzac Day 2024 Gallipoli tours.'
