

Drainage Activator

BREAKTHROUGH DRAINAGE SUPPORT FOR THE EXTRACELLULAR MATRIX, LYMPHATIC SYSTEM, LIVER, AND GUT

KEY BENEFITS

- Provides support for the extracellular matrix (ECM)*
- Supports lacteal gut and liver lymph drainage*
- Aids all the body's natural drainage and detox processes*

PRODUCT DESCRIPTION

Drainage Activator is a powerful drainage support supplement for patients at any stage of their health journey, but particularly at the start to help effectively open drainage pathways.

The most unique function of Drainage Activator is that it focuses on drainage at the extracellular matrix junction (ECM). To date, no other supplements have been able to address this vital and foundational area of cellular health.

By supporting cellular health at the root level, Drainage Activator assists energy production, all organ and tissue function, and every natural drainage and detoxification process throughout a patient's system.

This well-tolerated herbal formulation combines six adaptogenic

LABEL INFORMATION

mushrooms and numerous herbs proven to support drainage pathways, including manjistha, olive leaf, Nigella sativa, gotu kola, St. John's Wort.

The addition of our proprietary blend of fulvic acids, called BioActive Carbon® Technology, helps increase the absorption and utilization of each ingredient. Intentionally formulated with a low pH to buffer against stomach acid, BioActive Carbon® Technology helps protect and drive each nutrient to where it needs to go in the body.

Drainage Activator is recommended for anyone pursuing a health and wellness journey, especially if it includes detoxification. Despite being potent for drainage support, it's gentle on the system and can be taken on its own, or alongside all CellCore products, kits and at any Step or Phase of the protocols.
