NOTES

1. The asking and renting prices are collated from various online property websites. While the latest transaction prices from LPPEH were used. All figures have been averaged and all anomalies adjusted to reflect a balanced price.
2. Not all unit layouts are included in the list and only the typical layout is included. The lists is only to be used as a guideline to help the user get a general idea of the unit sizes in the development.
3. The asking prices are to be used as a guideline only and we do not promise to deliver any property at the stated prices as market prices are subject to change from time to time. Although the maps will be updated periodically, due to timing issues the maps will have some lag with market forces.
