## **[OVERVIEW]**

**So, in a few moments we're going to get into:**

- The importance of discipline and putting yourself in uncomfortable training situations... and how this WILL DRAMATICALLY enrich your life, expose your weaknesses and help you grow so you can increase your essential skills and survival IQ.
- We'll talk about how to Pick your perfect fixed blade bushcraft or survival knife.
- AND... the different technics and systems that Joe and I individually use to design knives and gear.
- Then we'll talk SNAKES... How to Identify and avoid dangerous ONES - and what to do if you get bit.

- We'll discuss what Bushcraft IS - and IS not and how anyone can get into bushcraft - AND... why EVERYONE should consider doing so.
- We'll discuss Joe's most memorable Jungle Adventures...
- AND we'll get into some tips and tricks you can use to increase your situational awareness and protect yourself and the ones you love in an ever more dangerous world.
- Then we'll let you in on Joe's NEW upcoming event THE GLOBAL BUSHCRAFT SYMPOSIUM.
- And a LOT more.
