

Aluminum Perimeter Display

SKU: APD8440

Double sided full color digitally printed. Durable design allows display to withstand outdoor conditions.

Comes with 2 custom 600D banners finished with grommets. Includes ground stakes and bungee cords to attached the banners.

Material: Aluminum Frame
600D Banners

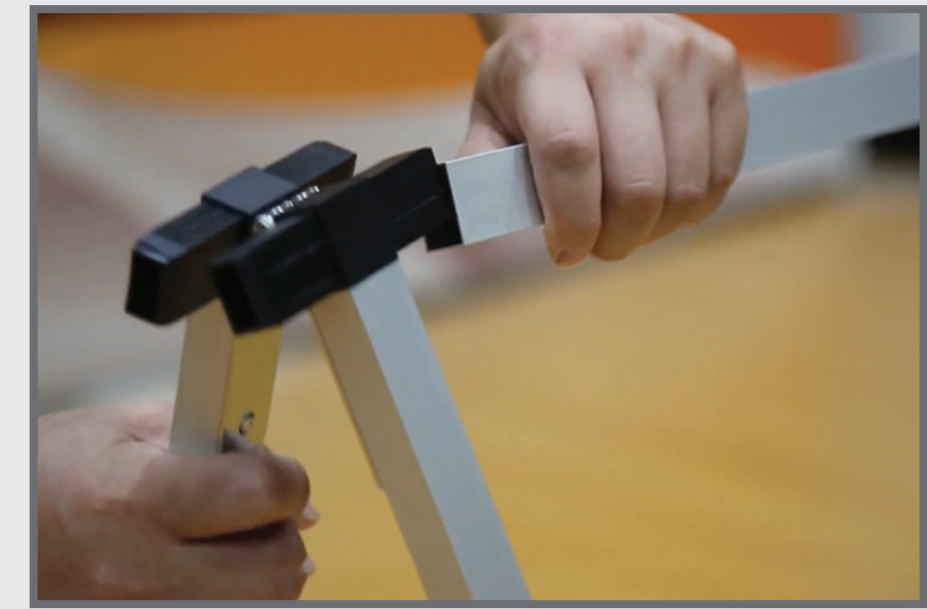

Size: 84" W x 37.5" H x 24" D

Prepare all parts from the bag.

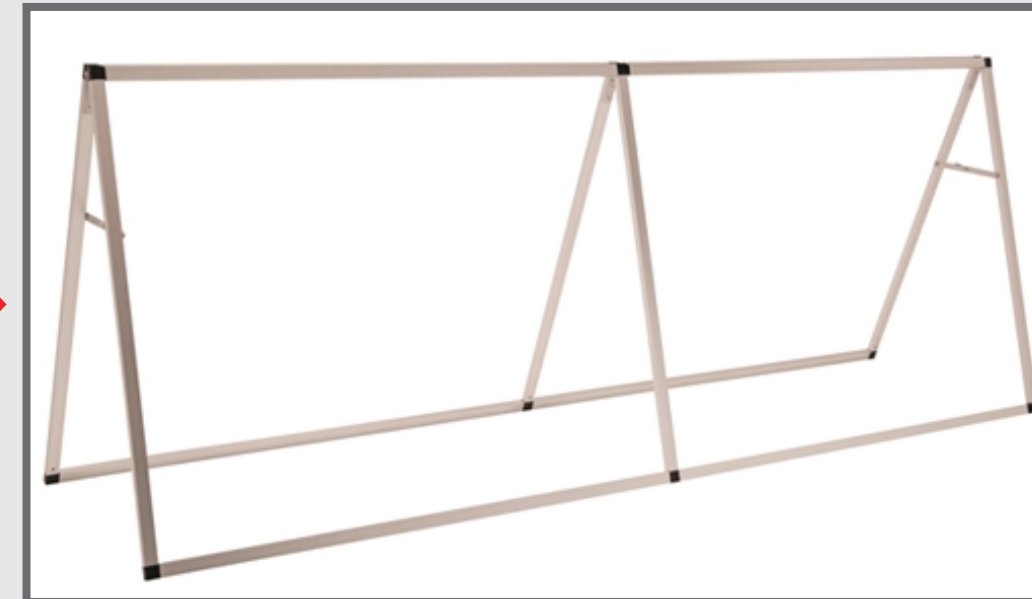

Unfold the 2 end aluminum support pole sets with hinge.

Connect the aluminum poles to the support poles one by one.

Secure the frame by pushing the hinges down to lock position.

Attach the hook bungee cords for your graphic.

Once all bungee cords are attached to the frame, connect your graphic by hooking your banner's grommets.

Your Aluminum Perimeter Display is now complete.
