

PUSH BROOMS & ACCESSORIES

MEGA BROOMS SMB-600, SMB-720, SMB-960

SweepEx Mega Brooms are designed for heavy-duty cleanup applications. Our entire line of Mega Brooms feature 11 rows of durable polypropylene brush sections and can be mounted on a variety of vehicles, including lift trucks and skid steers. Mega Brooms are available in three sizes to provide you with the durable, low maintenance, and effective cleanup solution you need.

Great for sweeping parking garages, parking lots, warehouses, maintenance yards, and any other large open areas.

- Designed with reversible polypropylene brushes
- Simple brush replacement system
- Low maintenance
- No moving parts

Minimize work-related injuries caused by floor debris. Shown with optional FLH-200 Fork Hitch, DCE-020-1 Debris Collector Ends and HDM-060-1 Heavy Duty Magnet.

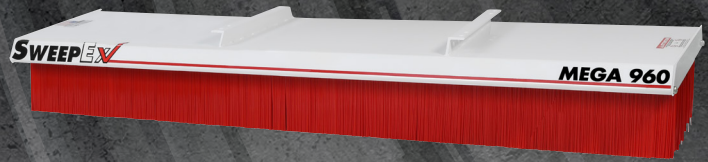

- No flying debris
- Mounts to forks, skid steers and three-point hitches
