

PUSH BROOMS & ACCESSORIES

PRO BROOMS SPB-600 & SPB-720

The Pro Brooms series is the mid-level broom attachment from SweepEx. With eight rows of polypropylene brush sections, these units are capable of handling a wide variety of applications. They come standard with a lift-truck mount, but are also available with hitch and skid steer mounting attachments for maximum versatility. Great for sweeping parking garages, parking lots, warehouses, maintenance yards, and any other large open areas.

- Designed with reversible polypropylene brushes
- Low maintenance
- Indoor/outdoor use

Pro Series brooms have eight rows of polypropylene brush sections and an enclosed hook and chain for mounting onto forklifts.

- Simple brush replacement system
- No moving parts
- No flying debris
- Mounts to forklifts and skid steers
