This 180-grain projectile delivers maximum damage potential in an extremely accurate, consistently reliable large caliber round. Engineered to Tumble Upon Impact™ (TUI™) and create a dynamic wound cavity, the unique, multi-patented design of our 45ACP (TUI™) pistol ammunition penetrates targets deeply. Even with a heavier caliber handgun, your life will depend on accurate shot placement. Our 45ACP (TUI™) projectiles are certain to incapacitate an assailant with fewer shots than other ammunition in this category.

High-impact Home Defense

This decisively lethal bullet gives you superior accuracy and a tactical advantage in any situation. Impressive performance ensures that your aim will be as true in a defensive setting as it is on the practice range. When you need hard-hitting firepower that you can trust your life with, 45ACP (TUI™) ammo is a sure-fire winner. These bullets are the ideal choice when you want the extra penetration and stopping power. On impact, the Tumble Point™ action ensures a high degree of energy and soft tissue/organ trauma.

The Big Hit in Law Enforcement

The pinpoint accuracy and terminal performance of the 45ACP (TUI™) match grade ammo makes it eminently suitable for modern law enforcement and security work as well as for civilian home protection and self-defense. Each projectile is constructed using the highest-quality components, making this the match grade ammunition you need when performance is critical. In situations where lives are on the line, you can draw your weapon with complete confidence, knowing your handgun skills will not be compromised by your ammo.

Lethal and Lead Free - Handgun Hunting Ammo

If you use a handgun for hunting or protection from predators in bear country, ethical considerations and new legislation makes copper the right choice in ammo composition. In fact, although designed for self-defense and home protection, this ammunition makes a great choice for handgun hunting. The precision accuracy and powerful terminal effects of the Tumble Upon Impact™ (TUI™) action enables the 45ACP (TUI™) rounds to be used for hunting hogs and other medium-sized game. When seconds count, you can draw your weapon with complete confidence.
