Fort Scott Munitions™ (FSM®) 45-70 Government SCS® (TUI) ammo is a match grade projectile made of solid copper and engineered to Tumble Upon Impact™ (TUI) providing devastating stopping power. While designed as precision ammo for rifle hunters, the high performance qualities of the (TUI) ammo also make them ideal rounds for home and self-defense or law enforcement.

Heavy Cover Hunting Performance

If you are a hunter, you know that pinpoint accuracy is crucial in the field. That is why 45-70 Government SCS® (TUI) ammo is manufactured from the highest quality components, to ensure consistently superior performance over other hunting ammunition. When you only have one shot- make it count.

Made to deliver significant soft tissue damage and bring your target down quickly, (TUI) rifle ammo has excellent weight retention and penetration. The Tumble Upon Impact™ (TUI) design assures a swift, humane kill with every well-aimed shot. The 45-70 Government SCS® (TUI) rifle ammo is known to be a great short range brush weapon for large game such as bear, moose, and deer, the uniquely crafted and patented shape delivers unbeatable precision. This ammunition is tube magazine safe.

Solid Copper - Ethical and Effective

You can hunt big game and accurately shoot using the FSM® 45-70 Government SCS® (TUI) ammo. This round is a powerhouse in the brush, as well as offers the knockdown power you need for hunting large game accurately at 100 yards and beyond. These qualities make the 45-70 Government SCS® (TUI) ammo ideal for hunters of lighter frame and smaller physical stature.

Enjoy the freedom to hunt anywhere because these solid copper spun projectiles can be used where lead ammo is prohibited. You can pursue game ranging from prairie dogs to hogs and deer with confidence, courtesy of the unfailing terminal effectiveness of the 45-70 Government SCS® (TUI) ammo. This match grade ammunition has what it takes to get results with every squeeze of the trigger.

See Ballistic Brilliance in Action

Witness the ballistic superiority of the Tumble Upon Impact™ (TUI) design for yourself. Take a look at our extensive testing that we have available for you, visit our YouTube Channel for more information. Our R&D team works tirelessly to provide you reliable ammunition that transcends traditional designs. As a result you can be sure that 45-70 SCS® (TUI) ammo won't fail you when performance matters most.
