Bin Recycling & Waste Divider

The insert fits perfectly in the traditional double-seated room bucket and is easy to put in.

The main part of the bin with the most space holds larger recyclable items, and the smaller section takes general waste. This practical solution also eliminates the need for a plastic container, because the partition is made of smooth ABS plastic that can be easily emptied and cleaned. Super nice waste and recycling divider for trash cans for hotel rooms.

- 20cm (length) x 8cm (width) x 10.5cm (height)
