SERGEY - with 15 years of expertise in human anatomy & physiology, Sergey customises massage techniques & their intensity for each individual. His treatments span a range of focuses, including preventive care, health enhancement, anti-cellulite therapies, relaxation methods, lymphatic drainage, cupping massage, stress reduction, & traditional approaches.

SUNITA - a Skin Aesthetician & Holistic Therapist with 30 years of expertise, is dedicated to collaborating with you & nurturing your body & mind, aiming for lasting, natural results. Her specialisation covers a diverse array of treatments, spanning from anti-ageing facials & personalized massages.

NADIA - Nadia is an osteopath with over 20+ year of experiences whom recognises the importance of personalise care & is passionate about hekping you underdtand your body.

DARIA is a cosmetologist deeply involved in an emerging & increasingly popular field within aesthetic cosmetology—osteopathic cosmetology. This holistic approach to facial & body care involves in-depth attention to all structures: skin, muscles, subcutaneous fat, fascia, & bones. This method yields visible rejuvenation & healing outcomes after just one session. It also serves as effective rehabilitation post-injuries or plastic surgeries.

MARIA is a versatile face & body therapist focused on enhancing your body's natural function, promoting improved circulation & a faster metabolism. Specializing in vacuum cupping therapy, lymphatic treatments, anti-cellulite methods, & sculpting massages, she alleviates tension from both your body & face muscles.

MESUT is a multi-faceted professional skilled in Sports Therapy, Strength Coaching, PT, & Biomechanics. With 16+ years' experience, Mesut specialises in personalised programs to enhance performance. As a seasoned Tutor, Mesut also educate others in these fields, aiming for holistic well-being beyond traditional fitness coaching.
