**STANDARD WARRANTY**

Oil Lubricated Rotary Screw Air Compressor Assemblies

- g) ROGERS may request return of a defective part for inspection (FOB Origin). Parts must be returned with a Return Merchandise Authorization (RMA) promptly upon request or the warranty claim will be jeopardized.

Items repaired under warranty are warranted against manufacturing defect or workmanship for NINETY (90) days or for the duration of the original warranty period on the item in question, whichever is longer.

The warranty does not apply to any compressor assembly which has been subject to misuse, neglect, or damaged. Nor does it apply to assemblies repaired or altered, other than by ROGERS authorized service personnel. NOTE: Should any of the above subgroup conditions, a) through h) not be met, the STANDARD warranty may apply.

Under the terms of the warranty ROGERS shall not be responsible or liable for consequences regarding:

1. Consequential, collateral, or special losses or damage, loss of profit, loss of production, loss of income or contract, loss of goodwill, or damage of any kind whatsoever, including any temporary rental that may be required.
2. Malfunction caused by abnormal conditions of use, accident, neglect or misuse of equipment or improper storage.
3. Deviation from operating specifications or other special terms of sale.
4. Improper operation, maintenance, non-OEM parts, or repairs made by other than ROGERS authorized service personnel.
5. Damage resulting during shipment or installation.

In no event shall ROGERS be liable for any claims whether arising from breach of contract, warranty, claims of negligence, or negligent manufacture in excess of the compressor purchase price.

**THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES WHETHER EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR USE.**
