

## Desk Extension Kit

Thank you for trying the **FitDesk®** Desk Extension Kit. This accessory will quickly and securely clip on to your existing **FitDesk®** desktop and add eleven inches in overall width. Along with the extra space to use a mouse or a writing tablet, you will also have a convenient drink holder. The Desk Extension Kit's rubberized surface will also help keep items in place while in use.

### Standard **FitDesk®** 3.0 Desk Surface:

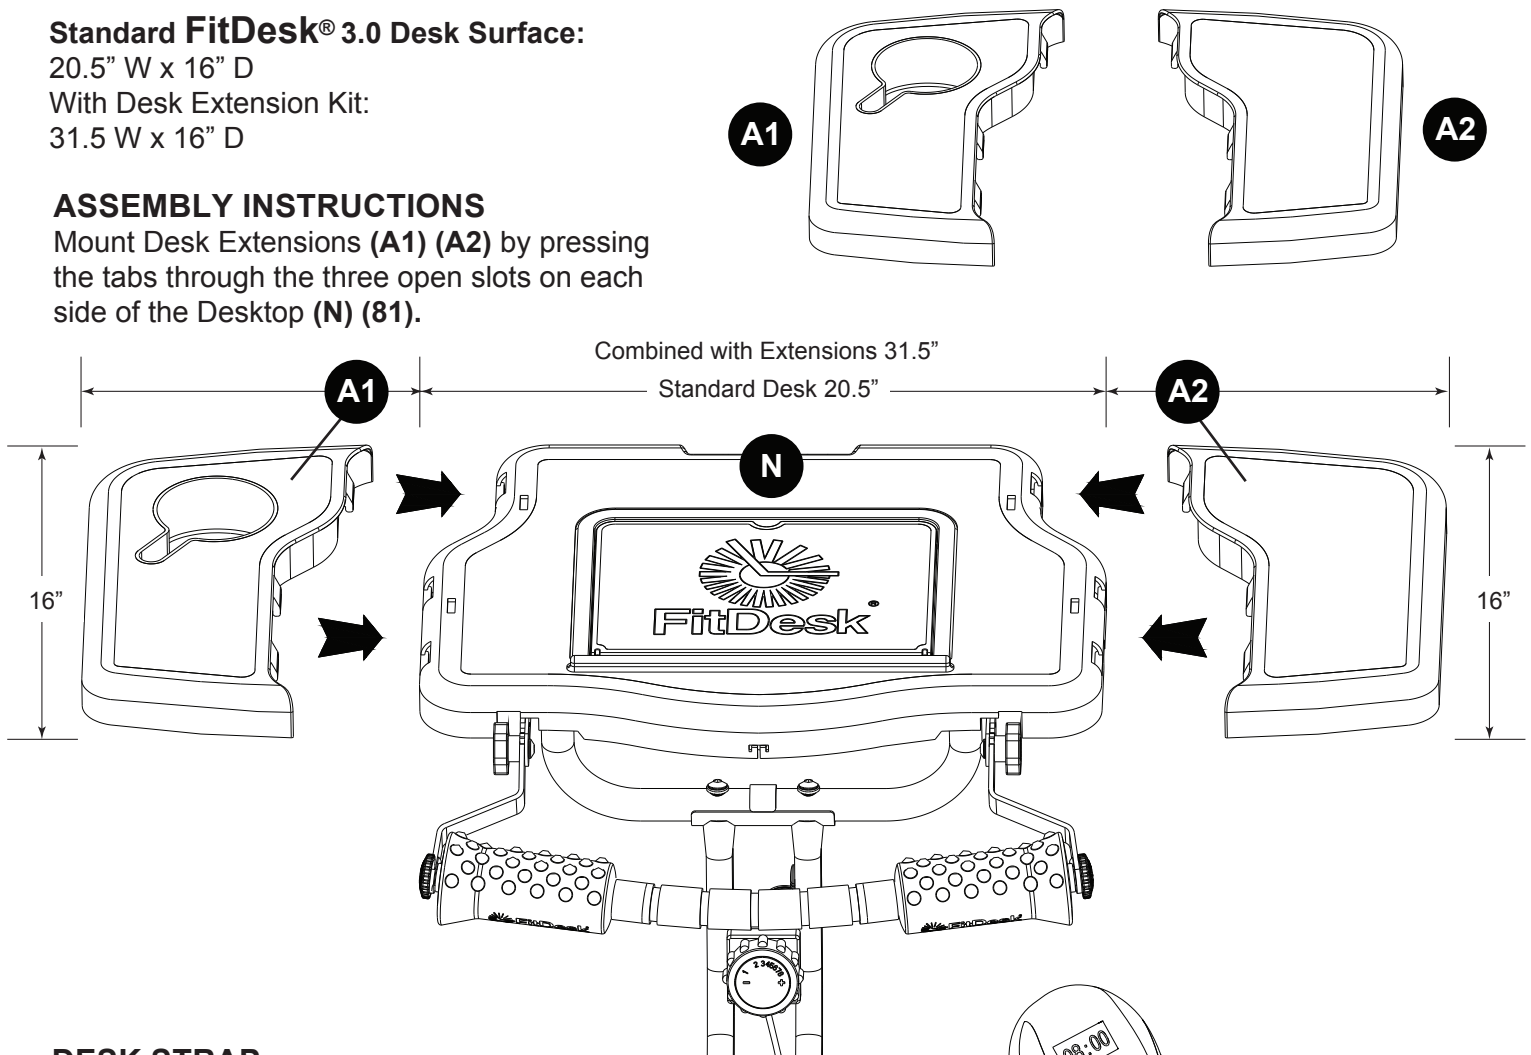

20.5" W x 16" D

With Desk Extension Kit:

31.5 W x 16" D

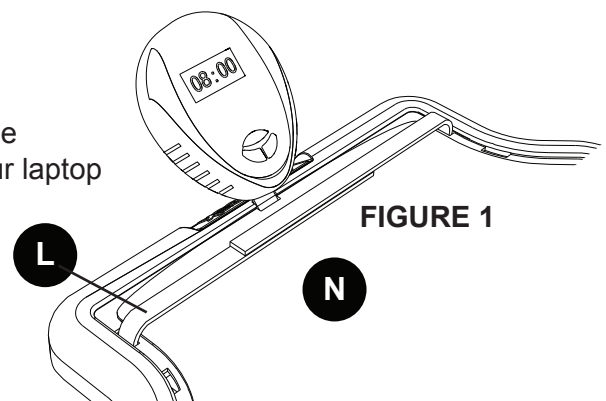

### ASSEMBLY INSTRUCTIONS

Mount Desk Extensions (A1) (A2) by pressing the tabs through the three open slots on each side of the Desktop (N) (81).

### DESK STRAP

The **FitDesk®** comes with a Desk Strap (L) (3240). Thread the strap through the openings in the Desk (N) (81) and around your laptop or device. **Figure 1**

**Note:** Always secure laptop or devices when using the bike. Always remove cup from drink holder before transporting your **FitDesk®**.
