100% Organic Arabica Whole Beans Coffee Honduras 8.82oz / 250g

Honduras organic coffee comes from plantations located at a minimum of 1,500 meters above sea level, where the air is clear like a mountain crystal. Thanks to this, we can offer all of the lovers of the morning coffee something completely unique and one of a kind, with a rich intensity and a light mixture of sweet caramel and fresh fruit.

100% Organic Arabica Whole Beans Coffee, Peru 8.82oz / 250g

12
in case

Peruvian coffee is grown in shady places at high altitudes. The specific climatic conditions prevailing on the plantations give the Peruvian coffee a deep aroma and a mild flavor. At the height on which there are plantations, on which the Peruvian coffee ripens, the climate is perfect for coffee trees, the air is crystal clear, and the soil is appropriately fertile for the demanding Arabica.

OUR PARTNERS

Tastlé Cafe is growing every day and has gained a large following. One of our major goals is to make it convenient for all consumers to reach our products. Tastlé products can be found in most major supermarkets and many small convenience stores in the US and Canada.

And more than thousands of other retail stores.
