# HYPER-REALISM BROWS

PREVIOUS EXPERIENCE NEEDED: QUALIFIED PMU ARTISTS ONLY

## MASTERCLASS INFO:

"HYPER-REALISM BROWS ARE THE MOST CHALLENGING BUT ALSO THE MOST NATURAL-LOOKING, CREATIVE, AND REWARDING FORM OF PERMANENT BROWS.

THE LATEST ADVANCEMENT IN EYEBROW TATTOOING, THE HYPER-REALISM TECHNIQUE CREATES THE APPEARANCE OF SUPER REALISTIC FLUFFY BROWS WHICH ARE CURRENTLY RIGHT ON TREND.

HYPER-REALISM BROWS USE A SPECIALISED TECHNIQUE MASTERED BY ONLY A HANDFUL OF ARTISTS WORLDWIDE TO CREATE OVERLAPPING HAIRS, RATHER THAN INDIVIDUAL HAIRSTROKES.

IT ALSO MIMICS THE NATURAL WAVE OF THE HAIRS, WITH HAIRS TATTOOED IN DIFFERENT DIRECTIONS CREATING A FLUFFIER BROW, RATHER THAN THE STRAIGHTER, TIDIER STYLE OF THE HAIRSTROKE BROW.

THIS TECHNIQUE IS EXTREMELY VERSATILE AND CAN BE SCALED UP OR DOWN TO SUIT YOUR CLIENTS DESIRED RESULTS."

# HYPER-REALISM BROWS

## MASTERCLASS GOALS:
