For SP Connect anti vibration module Part number #53135

A

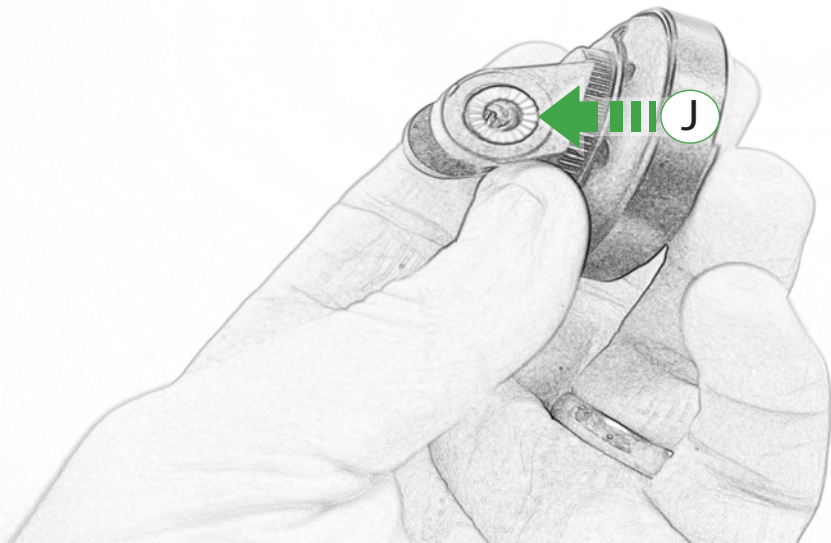

SP Connect  
Part #53135

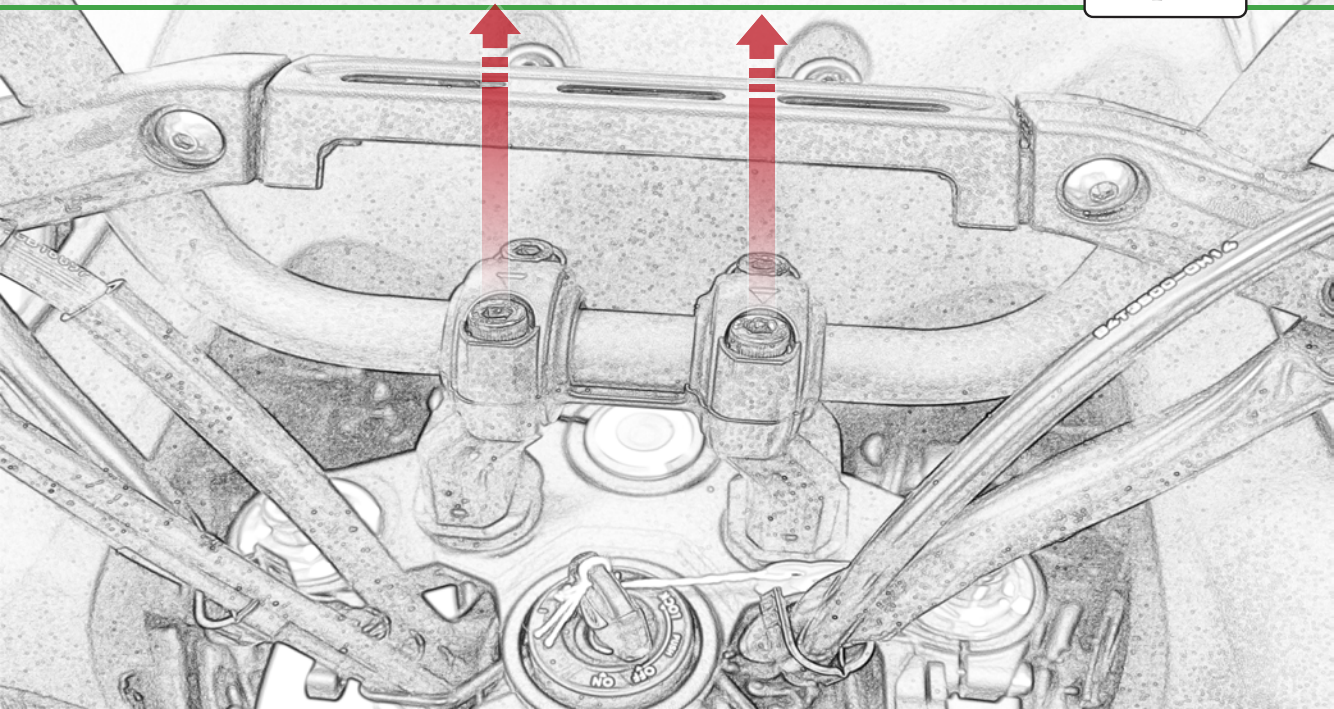

Supplied with  
#53135

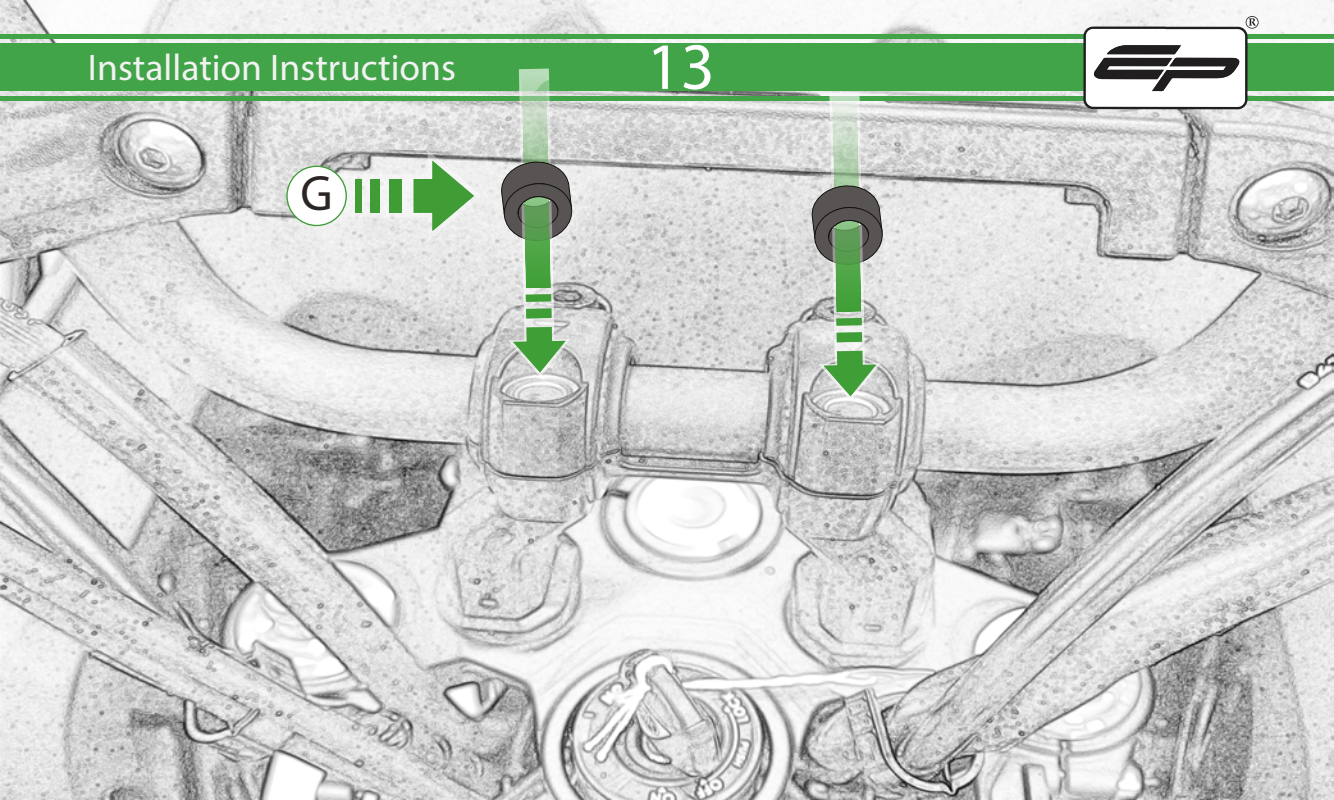

Repeat  
Both Sides

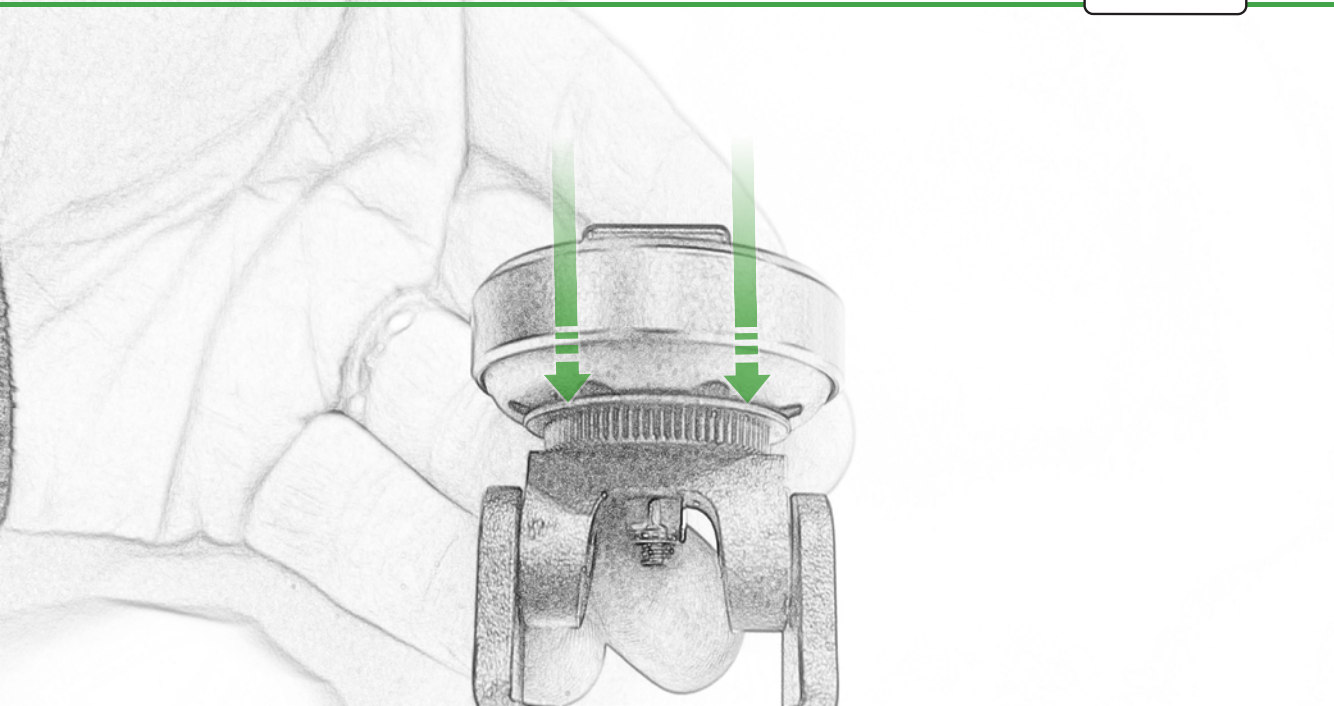

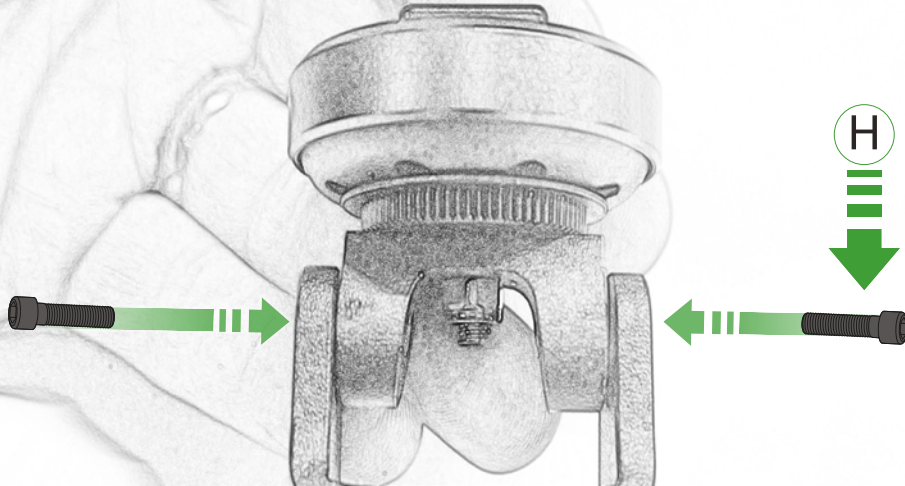

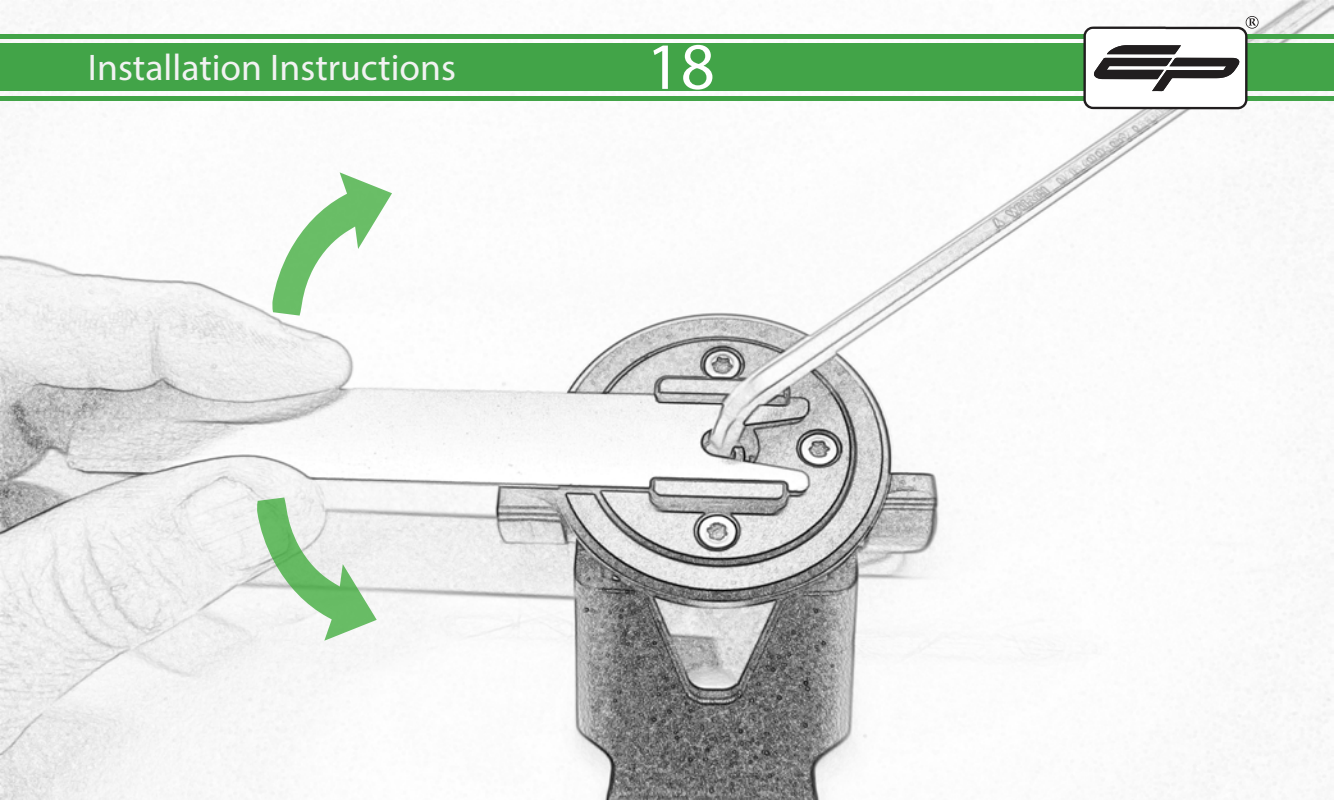

## ESSENTIAL CHECKS

It is recommended that periodic inspections are made to ensure that all bolts are tightened to the specified torque settings.

Should the bike be involved in an accident a thorough inspection should be made and any components that have taken an impact, no matter how small, be replaced
