

SIROHI

LUXURY | SUSTAINABILITY | IMPACT

OUR MISSION

Empowering women from marginalised communities with craft skills to seek sufficient income opportunities to build economically independent livelihoods by providing means to financial inclusion and quality design and digital training relevant to the market of today.

WHAT WE DO

We handcraft high quality luxury products in the sustainable lifestyle sector.

- Furniture
- Storage Solutions
- Home Decor
- Gifting

Sirohi

Sirohi is a design forward, artisan-backed global brand that employs women artisans from rural North India to design functional home & lifestyle products that define luxe-sustainability for conscience global buyers.

- Handmade
- Ethically sourced materials
- Design First approach
- Each product has a story to tell!
