EVERYONE HAS A STORY

Inspired by vintage charms, Fable celebrates tales from the British Countryside with vibrant colours and exquisite handcraft. Each piece is an open story awaiting your chapter.

Welcome to our 1950s bank holiday collection. Imagine choosing your favourite ice cream from the harbour and heading down to the shore, strolling past brightly coloured beach huts and striped parasols. Taking in the distant sounds of waves lapping and children's joyful laughter. Or a peaceful meadow with a picnic laid, bees are hovering, and the scent of freshly picked strawberries and wildflower perfumes the air.

The sun is shining and everyone's smiling.
